Translator's Note:
Hey I forgot to mention this last time, but I'm not putting AEOT on a regular schedule until next week due to busy stuff. Please bear with me!
And I'm thinking about doing weekly upload batches of 4-6 chapters (depending on how busy my week is) instead of doing them one at a time because I don't feel like going on bato.to to upload every day or every other day. Of course, the chapters will be available earlier and updated first, consistently, on our website, ghostyscanlations.weebly.com, so if you don't want to wait for the weekly batches, you can visit us there!
